## 2002 Holiday processing schedule

### Standard processing

Medicaid processes claim payments every Friday evening. The weekly Remittance Statement (RS) identifies claims that have been submitted for processing during the week.

Each week, Medicaid payment information is reported to the Colorado Financial Reporting System (COFRS) and Medicaid warrants (paper checks) and Electronic Funds Transfers (EFT) are processed.

Electronic Remittance Statements may be retrieved from MEVSNET on Monday morning of the week following payment processing.

Remittance statements for EFT payments are mailed on Wednesday of the week following payment processing. Remittance statements with accompanying warrants are mailed on Thursday and Friday of the week after payment processing.

### Holiday processing

For some State and Federal holidays payment processing dates are changed to avoid payment delays.

When the holiday falls on a Monday, claim payments are processed on Thursday instead of Friday. The processing cycle includes electronic claims accepted before 6:30 P.M. on Thursday.
